A Note from HES

Dear Parents,

Over the Winter Break students are encouraged to read via a neat WINTER READING CHALLENGE! This is a school wide fun way to help our readers keep their fluency and comprehension strong. Each student will have a recording sheet full of activities to choose from. Students who complete the challenge should bring their sheet back to school when we return in January. They should also bring their favorite book and they will have their picture taken for a cool bulletin board! So ENCOURAGE YOUR STUDENT TO ...READ, READ, READ!
