A Note from the Teachers

Please review and add the important dates listed above to your family calendar. Thank you for sending in supplies and paperwork so quickly. We have introduced rules, procedures, and expectations during our Morning Meeting time. We have completed various reading, math and writing activities this week all while getting to know each other! We hope to see all of you at our HES Curriculum Night!

***Students can bring a healthy snack and water bottle this year due to our lunch time.*

*****Please see your child's Thursday folder for information about the Guitar Center lessons offered here at HES, the HES Spirit Wear order form, the HES Bulldog News, a free offer from TCBY, and the CMS Harassment and Bullying lesson. Students should return the folder by Monday.*

Homework:

Please review the 'Homework' section in the planner for information regarding HES daily expectations. Currently Excel sheets are homework. We will add homework to the nightly routine in the coming weeks.

Helpful Internet Website

www.cms.k12.nc.us

There is a plethora of information here! If you click on the SCHOOLS tab you can select Huntersville Elementary School and go to our website for information. This is where you will find our email addresses if you don't have it readily available.

***** Also from CMS... Charlotte-Mecklenburg Schools want to help Texas students and families affected by Hurricane Harvey. Our help for Houston effort starts Wednesday, Aug. 30, and lasts through Tuesday, Sept. 5. We are asking families to contribute **new** children's clothing and toiletries. The time frame is brief to get these items to children and families as soon as possible. Please send to the classroom and we will make sure it gets to the front office.
